

SPORT @ GBHS

Our goal as the Green Bay High School Sports Department is to provide the opportunity for students to participate and engage in quality secondary school sport experiences. We know the importance of sport within education, and research has proven that there is a high correlation between academic achievement and participation in sport. It is also a great way for our international students to integrate into school like and make friends with the local students!

We offer and participate in many different codes and are supported by keen teaching staff and a large number of volunteers to provide the coaching and skills our students need to succeed. Our relationships with local sports clubs help us to cater for all sporting interests.

All sports sign-ups are offered to the students at school before the season starts to provide time for trials and training. Students are notified of these through daily notices and social media. Sports uniforms are provided to the students on a loan basis and are to be returned at the end of their season.

In most cases students just need to turn up with the right footwear. Football, rugby, hockey and basketball players are required to bring their own protective equipment and require navy shorts and socks which can be purchased from Argyle our online provider. Specialist sports require students to have their own gear.

All sports teams are charged fees to help cover costs of competition entries, transport and uniform costs. These costs range depending on the sport. Some teams get the chance to compete at tournament weeks which incur extra costs – which can be brought down with fundraising.

We hold morning training sessions which are open to any student that wishes to improve their general fitness and sporting ability. These begin at 7am, finish at 8am, changing and shower facilities are open.
