## The Manitoba Provincial Nominee Program

International students from all over the world are making Manitoba their new home. Manitoba offers low tuition, high employment, affordability, and peaceful living in the heart of Canada.

See [www.immigratemanitoba.com](http://www.immigratemanitoba.com) for more information and program updates.

## Only in Winnipeg...

- The cell phone was invented by Winnipegger Martin Cooper
- In 1914 a WW1 captain from Winnipeg took an orphaned black bear names after his hometown to England as a regiment mascot. He left the bear at the London Zoo where he was visited by A.A. Milne and his son Christopher Robin, and became the inspiration for Winnie the Pooh
- James Bond was inspired by Winnipegger Sir William Stephenson, whose story was first immortalized in Ian Fleming 's A Man Called Intrepid
- Winnipeg was the first city in North America to use the 911 central emergency number
- The Harlequin Romance publishing empire was founded in Winnipeg in 1949
